

Thank you for choosing Skeena Cat Skiing for your winter adventure! We look forward to your arrival and serving you up some fine northern B.C. hospitality!

BASE CAMP 2021

The Skeena Team

Here is some information that we hope you will find helpful!

Transport to camp: The day before your first ski day, pick up at 3pm at your hotel or at Hudson Bay Mountain Resort.

Please arrive the evening before transport date. In Vancouver, you will need to connect to Air Canada flight #8564, departing Vancouver at 16:25(4:25pm), arriving in Smithers at 18:08 (6:08pm).

In most cases, our shuttle will be waiting for you at the airport to transport you to your hotel. If you are skiing at Hudson Bay Mountain on the following day, please book a hotel from one of the ski and stay partners:

www.skiandstay.ca

If you are not skiing at Hudson Bay Mountain, you make book at any hotel in Smithers.

Check out time is 11:00 a.m. Your luggage can be stored at the hotel until we pick you up at 3pm. Please take your lunch before pick up. If you are interested in taking in an activity on this day, please visit <https://adventurecamptourism.com/> Hayley will set you up!

The drive to our lodge takes approximately 1 hour. At the lodge, we will unload baggage, sign waivers and be prepared to load luggage when the returning group gets back to the lodge between 4:30 and 5 pm. Once everything is loaded into our vehicles, we head to the ski tenure. The drive to staging area takes approximately 1 hour in a 4x4 vehicle. At staging, guests load into a snowcat for an approximate hour drive to camp, so if everything goes smoothly arrival at camp should be around 7:00pm...just in time for dinner!

Coffee is ready in the Common tent by 7am...please feel free to grab a cup!
